HELLO AND WELCOME TO REAL CHEMISTRY

where science is quietly working
to ensure lifelong radiance!

Science-based skincare IS JUST SMART SKINCARE

Real Chemistry is a carefully researched collection of science-based, technically superior products which have specific functions and can be incorporated into any skin care regimen. This exquisite brand is carefully formulated and precision engineered to produce tangible, visible changes on the face almost immediately.

Living well and having fun are a big part of looking great so enjoy the Real Chemistry radiance in the weeks and years to come, then go out and live life to its fullest!

Real Chemistry's science-based skincare delivers certainty in an uncertain world!

TECHNOLOGY

Finally, a way to exfoliate the face without burning, redness, and recovery time. Real Chemistry's one of a kind "Protein Peel", the Luminous 3-Minute Peel, is free of acids and abrasives and makes exfoliation possible for everyone with virtually any frequency. It's a phenomenal technical breakthrough for the face!

PRECISION

Real Chemistry's proprietary ingredients and blends are synthesized using cutting edge recombinant-DNA techniques and are formulated in laboratory clean rooms to ensure the purest, most consistent ingredients and products, and the very best outcomes possible.

PROPRIETARY BLENDS

Powerful anti-oxidants and proprietary blends deliver results. Experience essential free-radical resolution and faster recovery after exposure to pollution, radiation, wind, sun, and other assaults on the skin.

PHILOSOPHY

Real Chemistry never tests ingredients or finished goods on animals. We pay our staff a fair, living wage, we source all our ingredients from the global pharmaceutical supply chain or synthesize them in our own labs, and we stand by our industry-leading quality and production standards and back them with our 100% satisfaction guarantee! Our customers deserve nothing less.

RealLash: Powerful lash, brow, mustache, and goatee growth complex. This delightful formula contains no hormones and complies with the EU ingredient standard for clean beauty. Used twice daily, new lash and brow growth appear in just a few days for plump, youthful looking growth right where it belongs! Growth will only occur where there are follicles to stimulate.

RealLash

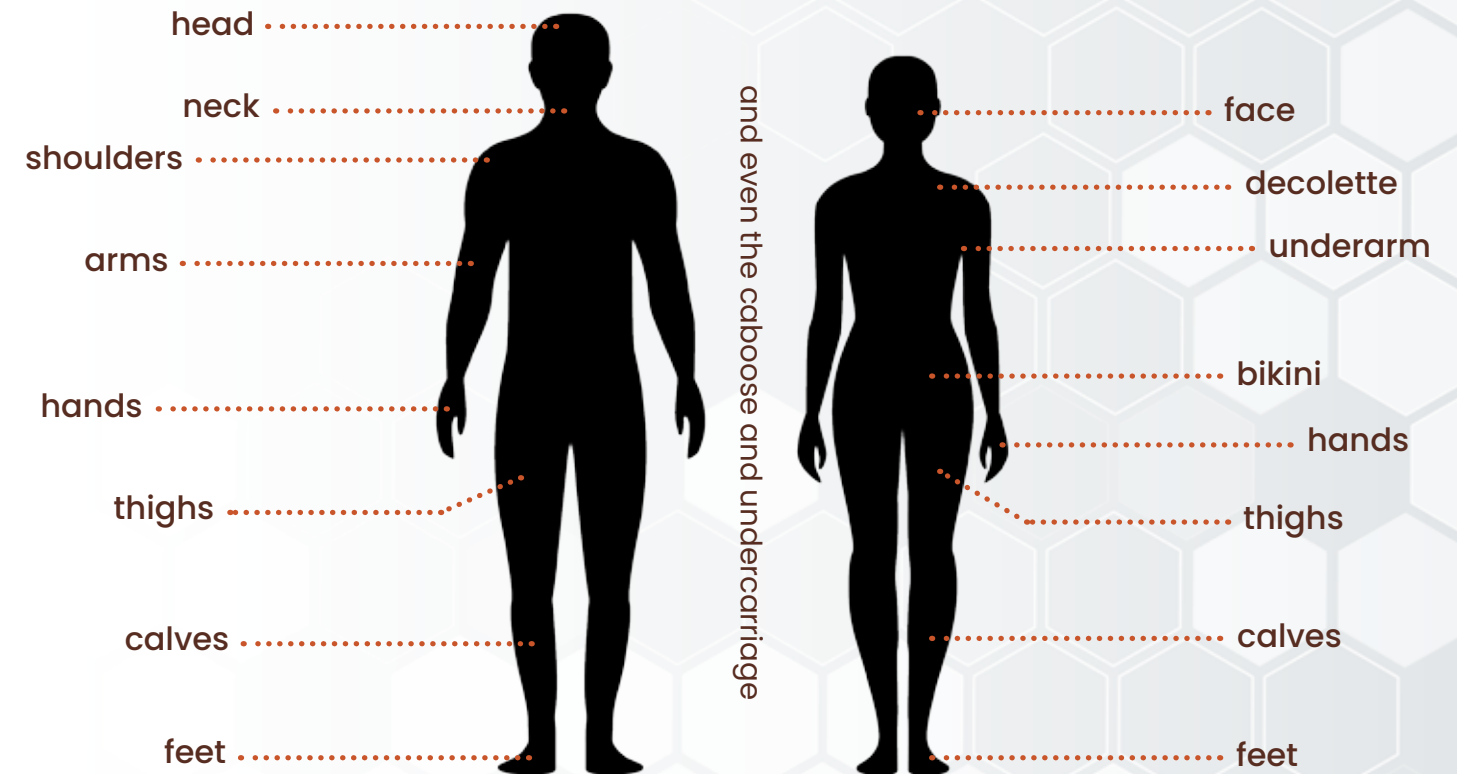

2x daily on brows and lashes

THE BODY

Luminous 3-Minute Peel BODY: Powerful BODY exfoliant used to remove dead skin cells clinging to the surface of the skin. Use the body peel to remove eczema patches, breakouts, dry skin on hands and feet, legs, arms, back, and elsewhere. Exfoliate before you head out for your spray tan and expect the most extraordinary results. Exfoliate before donning hosiery or dress socks to ensure a smooth, snag-free fit. Buff arms, elbows and décolleté before sundress season. Use the BODY peel as a pre-shave exfoliant absolutely everywhere you want to shave and virtually eliminate in-grown hair.

Powerful Body Exfoliant with an array of applications!

People are going to notice
your fresh, radiant, dewy skin.
Know this – it was always under there.
It's all you.

You got this, beautiful!
